with *Punky Tolson* 

## **Punky's Bio:**

Punky Tolson heart's desire is to help women fall in love with Jesus and live the life they were destined for. She has invested in the lives of women of all ages, teaching God's Word, showing them how the Scriptures really do *work* in their everyday lives, and how Jesus makes all the difference. A writer, blogger, *disciple-maker*, and a passionate communicator of God's truth, *Punky* (the nickname her Daddy gave her) speaks locally and nationally at women's events teaching the Scriptures and sharing her life with her audience. Her story of finding identity, true love and lasting satisfaction in Christ is full of transforming truth; her amazing God-story of marrying at the age of 43 will captivate you no matter what stage of life you're in; and her battle with breast cancer will reassure anyone experiencing any kind of difficulty that *you are more than a conqueror in Christ*. Along with her husband, John, she is co-founder of The Tolson Group, a discipleship-based ministry in Dallas, Texas. Punky is also the host of the *Life-on-Life* podcast— practical teaching and truth to help women know, love and follow Jesus ... and challenge them to pass it on.
